#### BUSINESS DEVELOPMENT

How many professionals do you have dedicated to private equity? Where do you see this number a year from now?

What was this number at June 2007? June 2006?

How many private equity deals did you help finance between July 2007 and June 2008?

What was their combined value (enterprise value and the debt value)?

What were the figures for July 2006 to June 2007?

What percentage of your firm’s work does private equity currently represent?

What was this figure for July 2006 to June 2007?

How many GPs have you worked with between July 2007 and June 2008? What percent of them are new (volume, not value)?

What has helped your firm win these deals?

---

#### VALUE-ADDING CAPABILITY

How has your firm reacted to changes in the leverage market?

Please describe an example between July 2007 and June 2008 where your firm provided a unique package/structure for a challenging deal (you may elaborate in the supporting documents).

Please describe any innovative products developed between July 2007 and June 2008 that have had an impact on the wider industry (you may elaborate in the supporting documents).

---

Those wishing to enter the awards must do so firstly by completing the nomination form and submitting a brief (maximum 500 words) general statement qualifying their entry. The nominations should contain information on work they feel best represents their achievements over the twelve-month period from July 1 2007 to June 30 2008.

**Entry documentation should be well presented and received no later than 12 September 2008.**
